

# David William Beck

## PERSONAL SUMMARY

I'm currently working at iSat LTD as a Python Programmer and Social Media Consultant.

## WORK EXPERIENCE

### iSat Ltd (Integrated Satellite Applications Technologies)

**SOCIAL MEDIA CONSULTANT** Feb 2012-Present, Farnborough.

- Programmed & designed iSat Satellite Tracking Feed Software as part of a small team using Python 3 and Tkinter; Frontend focus. Project supported by the European Space Agency & iSat LTD.
- Raised company awareness within the telecommunications and satellite technology industries for B2B and B2C through social media.
- Created written, graphic, design and programming content in addition to social media strategy and implementation; utilised feedback.
- Wrote and promoted news stories which were published in the media; such as in Via Satellite magazine, Press dispensary and LinkedIn Pulse.
- Redesigned iSat's websites, and promotional material, built new features, significantly improved SEO, managed advertisements.
- Used LinkedIn to generated successful leads, including one worth ten of thousands of pounds: worked in a security cleared environment.
- Grew twitter from 0 to 2200+ industry relevant followers as well as LinkedIn, Google+, Pinterest, Blogger, relevant forums and newsletters.
- Managed confidential CRM databases and sensitive data in compliance with ISO 9001:2008 and government standards.
- Played a key role in company projects such as: procurement, Python development, tradeshow management, tendering, assembly manuals, online pricing tools and managed Sage accounts to cover holiday.
